G. Health Officer, Elliott Foster:

No activity during year. Mrs. Hubert asked whether well owners should have their water tested, and Dr.. Foster replied that it is a good practice, for scientific interest as to mineral content, not because there is any likelihood of contamination at present.

2. New Town Officers were elected for the coming year as follows:

Selectman for 3 years:	Thomas Corcoran
*Selectman for 2 years:	Alexander Hubert
Treasurer:	Richard A. Jackson
Tax Collector:	Catharine Patton
Town Clerk:	Geoffrey Nichols
Auditor:	Joan Nichols
Librarian:	Grace Bean
Health Officer:	Elliott Foster
Trustee of Reserve Fund (for 2 years):	Gaius Merwin
Police Officer and Fire Chief:	Stanley Brox
Road Agent:	Stanley Brox
Civil Defense Office:	Geoffrey Nichols

3. Because of the fact that Ralph Bean planned to leave the meeting early, the regular routine of business was interrupted at this point to discuss the question of the Livermore Falls Dam bill which is to be introduced into the Legislature later this spring. The U. S. Corps of Engineers is reported to be planning a large scale project of building a dam at Livermore Falls which would flood an area extending up nearly to Lincoln, would wipe out Beebe River, parts of Route 93, parts of Campton, and would require rearrangement of the entire road system around and approaching Waterville. This large-scale project is in opposition to the plans of the Soil Conservation Service which favors a series of small dams on the Pemigewasset, Baker and Mad Rivers and which also favors a dam on the East Branch above Lincoln.

The Highway Department will hold a Public Hearing on March 30 to discuss the portion of Interstate 93 from its present terminus at Plymouth on up to the North, and as the Dam project will have great bearing on these highway plans, it is important to register public opinion as quickly as possible to clarify planning.

- * To replace Ralph Bean whose resignation was presented and accepted at this meeting, in the interest of creating better balance on the Board.
